

UPDATED PUBLIC HEALTH ORDERS IN
MANITOBA’S REOPENING PATH

The following COVID-19 prevention orders take effect at 12:01 a.m. on Tuesday, Feb. 15 and will remain in place until March 1.

Sector	Feb. 8 Restrictions	Feb. 15 Restrictions
Masks and physical distancing		Continue to be required in all indoor public places. Medical exceptions may apply to mask use.
Indoor gatherings in public spaces	Gatherings that include one or more unvaccinated people (if they are 12 years of age or older) are limited to 25 people or 25 per cent of the usual capacity of the space, whichever is lower. Gatherings restricted to fully immunized people and those under 12 years of age are limited to 50 per cent of the usual capacity of the space or 250 persons, whichever is less.	Gatherings that include one or more unvaccinated people (if they are 12 years of age or older) are limited to 50 people. No restrictions on indoor public gatherings when all who are present are fully immunized people or are under 12 years of age.
Outdoor gatherings in public spaces	Gatherings that include one or more unvaccinated people (if they are 12 years of age or older) in uncontrolled outdoor public spaces are limited to 50 people. Gatherings restricted to fully immunized people and those under 12 years of age are limited to 50 per cent of the usual capacity of the space or 250 persons, whichever is less.	There are no capacity limits to outdoor gatherings regardless of vaccination status.
Indoor gatherings at private residences	Private indoor gatherings are limited to 25 additional people plus the household if all are fully vaccinated (youth under the age of 12 are exempt). Private indoor gatherings are limited to 10 additional people plus the household if any of the individuals are eligible but unvaccinated (youth under the age of 12 are exempt).	There are no capacity limits to indoor gatherings at private residences regardless of vaccination status.

Outdoor gatherings at private residences	Outdoor gatherings at a private residence are limited to 50 additional people plus the household if all are fully vaccinated (youth under the age of 12 are exempt). Private outdoor gatherings are limited to 20 additional people plus the household if any of the individuals are eligible but unvaccinated (youth under the age of 12 are exempt).	There are no capacity limits to outdoor gatherings at private residences regardless of vaccination status.
Restaurants, licensed premises and food courts	Proof of vaccination is required for those 12 years of age and older. Individuals are required to wear masks but are not required to provide proof of vaccination to enter for the sole purpose of picking up takeout or delivery orders. Restaurants, licensed premises and food courts are limited to 50 per cent capacity and are limited to seated service only with a maximum of 10 people per table. Liquor sales must end at 12 a.m. daily.	Proof of vaccination is required for those 12 years of age and older. Individuals are required to wear masks but are not required to provide proof of vaccination to enter for the sole purpose of picking up takeout or delivery orders. There are no capacity limits to restaurants, licensed premises and food courts. The requirements to limit table sizes and for patrons to remain seated at licensed premises are removed. Liquor sales return to normal hours of operation.
Gyms and fitness centres	Capacity limited to 50 per cent with proof of immunization required everywhere.	No capacity limits. Proof of immunization required.
